

Chisom Udonsi

FRONTEND DEVELOPER

Profile

Web Developer specializing in front end development. Experienced with all stages of the development cycle for dynamic web projects. Well-versed in numerous programming languages including HTML, CSS, and JavaScript. Stable background in using tools like Git, Github and React.

I am an enthusiastic, self-motivated, reliable, responsible and hard working person. I am a mature team worker and adaptable to all challenging situations. I am able to work well both in a team environment as well as using my own initiative. I'm an exceptional developer hoping to fine-tune my skills and achieve greater heights in my career. My growth is unparalleled and never-ending
